**MOTION OF PUBLIC SERVICE COMMISSION STAFF TO IMPOSE PENALTIES  
PURSUANT TO 26 DEL. C. § 217 UPON DELMARVA POWER & LIGHT COMPANY FOR  
FAILURE TO COMPLY WITH ORDER NO. 8732 PERTAINING TO  
THE PUBLICATION OF NOTICE**

Pursuant to 26 Del. C. § 217, the Staff of the Public Service Commission (“Staff”), by and through its undersigned counsel, moves the Commission to impose monetary penalties upon Delmarva Power & Light Company (“Delmarva”) for failure to comply with the publication of notice requirements in Order No. 8732, and in support of its motion, states as follows:

1. On April 1, 2015, Delmarva filed its Application for Approval of the 2015 Renewable Energy Portfolio Standards compliance charge rate and credit rate (the “Application”).
2. On May 5, 2015, the Commission adopted Order No. 8732 (the “Order”), which approved revised tariff sheets including the revised rates filed by Delmarva in the Application, on a temporary basis, subject to refund for usage on and after June 1, 2015.
3. The Order provided that Delmarva would publish the public notice as follows: May 21, 2015 in *The News Journal*, and May 22, 2015 in the *Delaware State News*. The Order also set the deadline of July 17, 2015 for the filing of petitions to intervene, or to file written comments or objections.
4. Delmarva notified Staff on or about November 24, 2015 that it had discovered that it had inadvertently failed to publish the public notice in compliance with the Order.

5. Upon discovering the issue, Delmarva contacted Staff to discuss the manner in which to rectify the situation. After discussions with Staff, Delmarva agreed to file a motion requesting approval to republish the public notice and set a new deadline for leave for petitions to intervene and to file comments. During these discussions, Counsel for Staff informed Delmarva that Staff would seek to impose a monetary penalty for failure to comply with the order – even if such failure was inadvertent.

6. Delmarva provided Staff a draft motion and form of order for review on December 8, 2015.

7. Delmarva has informed Staff that the failure to publish notice in compliance with the Order was a mistake and not an intentional act. Delmarva has informed Staff that despite the lack of publication of notice in *The News Journal* and *Delaware State News*, customers were notified of the proposed change in rates by way of a bill insert issued to customers between June 1 and June 30, 2015. Delmarva has informed Staff that it has since implemented internal procedures to prevent future noncompliance.

8. The rates implemented by the Order have not yet been finalized but remain in effect on a temporary basis as of June 1, 2015, subject to refund.

9. Although Staff acknowledges that Delmarva's noncompliance was inadvertent and recognizes that Delmarva quickly and cooperatively took action to remedy the situation, Staff takes any noncompliance with a Commission order seriously and urges this Commission to do the same. In the instant case, the Commission's consideration of approval of the temporary rates will be delayed by at least two months due to Delmarva's failure to publish the notice as required by Order No. 8732. To the extent any refund is due to customers, such refund will be further delayed due to Delmarva's noncompliance. Finally, the valuable time and resources of the Commission and Staff have been consumed in remedying this situation.

10. Under 26 *Del. C.* § 217, the Commission may impose "a penalty of up to \$1,000 per day for every day during which such default continues" in "default of compliance with any order of the Commission when the same becomes effective." Staff recommends that the Commission impose the

maximum penalty for each day from the discovery of the noncompliance (November 24, 2015) until the receipt of the proposed remedy from Delmarva (December 8, 2015) – a fourteen-day period resulting in a penalty of \$14,000. Staff’s recommendation considers Delmarva’s inadvertence in noncompliance and cooperation in remediation.<sup>1</sup>

WHEREFORE, for the reasons set forth above, Staff respectfully requests that the Commission impose penalties of \$14,000 upon Delmarva for noncompliance with Order No. 8732.

A proposed form of order is attached to this motion as Exhibit “A”.

Respectfully submitted,

/s/ Brenda R. Mayrack
